Az előző években szorgalmasak voltunk, szabadok voltunk és tele ötletekkel. És ebben szeretnénk bemutatkozni Önöknek a folytatásban!

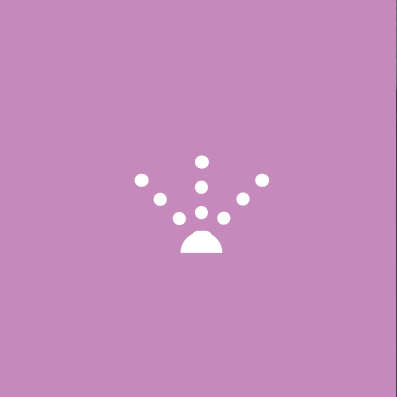

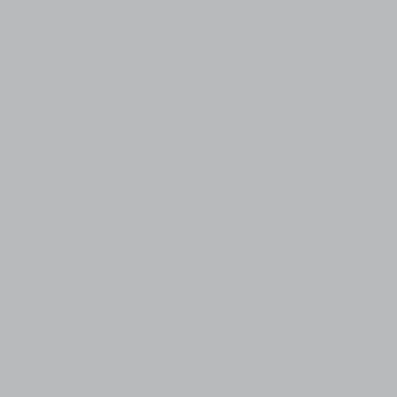

A fában és a kőben megtestesült természet. A legjobbak legjobbjá ötvözte melyet az emberhez a legközelebbi anyagok képeznek a Stone & Wood. Ez a mi vonalunk úgy lett kitervezve, hogy az Ön otthonában melegséget és nyugalmat biztosít, kifinomult adag eleganciával.

Megengettük magunknak, hogy másmilyenek, különösek legyünk, hogy a művészi oldalunkat kifejezzük és kielégítsük. A fiatal művészekkel való közreműködésben, azok ötleteit megtestesítjük és az Ön fürdőkádját szabad művészi műként hozzuk elő.

Gondoltunk a legszéleskörűbb programra is, ugyanis abból kezdük eredetünket. Az ECO vonalban szereplő összes termék az évtizedes tartam ötletével van előállítva, legszéleskörűbb hozzáférhetőség mellett.
